## HOW TO PREPARE A MISSIONAL ACTION PLAN (MAP)

### **1. Determine your Presenting Issue(s):**

- What needs to be addressed? What work needs to be accomplished?
- Is this need/concern related to the mission “to make disciples of Jesus Christ for the transformation of the world?”

### **2. In order to address the presenting issue(s), what steps will you need to take?**

(There will be multiple steps to how you will address the Presenting Issue)

### **3. What individual(s) will be responsible for each of the steps?**

### **4. What are the necessary deadlines for each of your listed steps?**

(Remember, deadlines aren't just to say when something needs to be completed but also to help you know when you need to begin!)

### **5. Signs of Progress (or benchmarks):**

What have you accomplished along the way towards getting to your anticipated outcome/results. (For example: formed a team committed to the work; scheduled appointments; all necessary supplies donated, etc.)

### **6. Anticipated Outcome/Result:**

Decide what you want to gain by addressing the Presenting Issue.
