Coach-Trainee Acknowledgements and Agreements

Please check each provision to indicate your agreement.

- I understand that if I am admitted into the program, I am making a commitment to attend and fully participate in all sessions of the training and 10 hours of mentor coach training. *
- I understand that to successfully complete the training, I must pass any assessments, tests, or evaluations conducted as part of the training. *
- I understand that the INUMC is making an investment in my professional development as a coach and anticipates that I will work to become a professional coach certified by the International Coaching Federation, which requires at least 100 hours of coaching in addition to the training and 10 hours of mentor coaching. (For more information, please visit <https://coachfederation.org/>.) *
- I agree to participate in any supervision the INUMC may provide for coach-trainees working toward certification (supervision may entail periodic group phone calls and/or one-on-one support). *
- I understand that the INUMC may, but is not obligated, to assist me in completing the 100 hours of coaching for certification. *

- In completing the 100 hours for certification, I agree to provide coaching services for INUMC clergy and/or laity as follows:
 - To provide at least 10 hours of pro bono coaching services for INUMC clergy and/or laity;
 - To charge any INUMC clergy no more than \$20/hour (plus expenses); and
 - To charge any INUMC laity no more than \$100/hour (plus expenses). *
- After I become certified as a coach, I agree to provide at least 10 hours of pro bono coaching services for INUMC clergy and/or laity each year. *
- I acknowledge and understand that the Book of Discipline prohibits an elder in full-time appointment to create an “extra position” separate from his or her appointment. If I am an elder in a full-time appointment, any coaching I do will be done as a part of my appointment and associated connectional work *
- If the INUMC refers a client to me as a coach, I agree to the following:
 - The INUMC may require that the client and I sign a standard INUMC coaching referral agreement or require the client to sign a waiver protecting the INUMC from liability for any claims the client may raise against me for the coaching services I provide.
 - The agreement may also require that I indemnify the INUMC against any claims that may arise as a result of my coaching services and/or produce evidence of insurance protecting me as the coach, and by extension the INUMC, from liability for any client claims.
 - The INUMC reserves the right to follow up with the client to assess the quality of coaching services received. *
- I understand that any website or other communications the INUMC provides to promote the Coach Training Program and available services will be general in nature and will not highlight or feature me in a manner that promotes me individually as a coach. *
- I understand that the INUMC may modify the above provisions and/or develop new ones as the INUMC continues to develop the Coach Training Program. *
