

Celebrating Creation Care 2021 'Anathoth Awards'

If your church raised a garden of any size in 2021, your Diversity, Missions, and Justice Team wants to hear about your ministry experience.

At our 2022 Annual Conference, we will be sharing three 'Anathoth Awards' to local churches who best exemplify Jeremiah's bold little investment in the soil of ancient Judah.

What ministry in the church leads this outreach?

Does the community garden have a name?

What did you grow?

What did you learn?

Who did you meet along the way?

How did God use your investment to reveal *hope* and a *future* to the world around you?

Anything else you'd like to tell us about the community garden ministry?
