Blueprint for Wellness Highlights

Blueprint for Wellness (BFW) provides an opportunity to learn about your health. You’ll receive personalized data on 30 health factors and:

- **Incentives**—\$100 Pulse Cash* and up to 140 Wellness Credits depending on your results. Participant and spouse in HealthFlex can *each* earn incentives.
- **Convenient options**—take the screening at our on-site event or at a local Quest Diagnostics facility.
- **No cost to you if taken** at an on-site event or a local Quest Diagnostics facility.
- **Wellness Credits**—earn 20 Credits for each of seven health measures that meet the American Heart Association’s recommended range (or for showing improvement vs. your 2021 BFW results). Seven health measures that meet the criteria = **140 Wellness Credits total**. *If you didn’t do BFW in 2021, you’re still eligible for Wellness Credits for achieving healthy results, and you’ll have a baseline next year.*
- **Fast the night before** for the most accurate results. Ask your doctor or other primary care provider (PCP) if it is safe for you to fast.
- **Confidential results mailed directly to you** to share with your PCP.
