Jamie	Clark	South	Aldersgate UMC, Evansville	Female	White	19 - 30 yrs	Yes	2	I was raised in the INUMC as the daughter of a pastor. I have always loved this Church and this community. I want to be a part of this important process with a community of others who love the INUMC, too, and want to work together to improve it. I believe Annual Conference is important both for the business aspect, as well as for building community and discussing our values as an organization. It is a rare occurrence to be in the same physical space as so many others who love the INUMC, and there is something truly special about that time spent with our wider Church family.
Jim	Hughes	South	New Hope Salem	Male	White	66 - 75 yrs	Yes	5	I would like to serve as an equalization delegate because I care about the future of the United Methodist Church in Indiana. I believe the UMC should be an open, accepting body of believers and we need to be able to listen to each other in grace and love.

Steve	Palmquist	South	Wall Street UMC	Male	White	66 - 75 yrs	No		(I have been elected as an Equalizing Member but didn't serve due to pandemic.) I have been active in leadership and administration at my local church and in the Conference, including as a lay member of CF&A for several years. I understand that this talent is a gift from God and I want to use it in helping guide our Conference. I have served as a lay delegate before and have an understanding of how annual conference works and the importance of being involved.
